OUR VISION & MISSION

OUR VISION

At AMANA TEXTILE, our vision is to establish ourselves as a globally recognized and highly respected apparel manufacturer by consistently delivering premium-quality products that exceed customer expectations.

We strive to build long-term partnerships through innovation, reliability, sustainability, and excellence in every aspect of our operations.

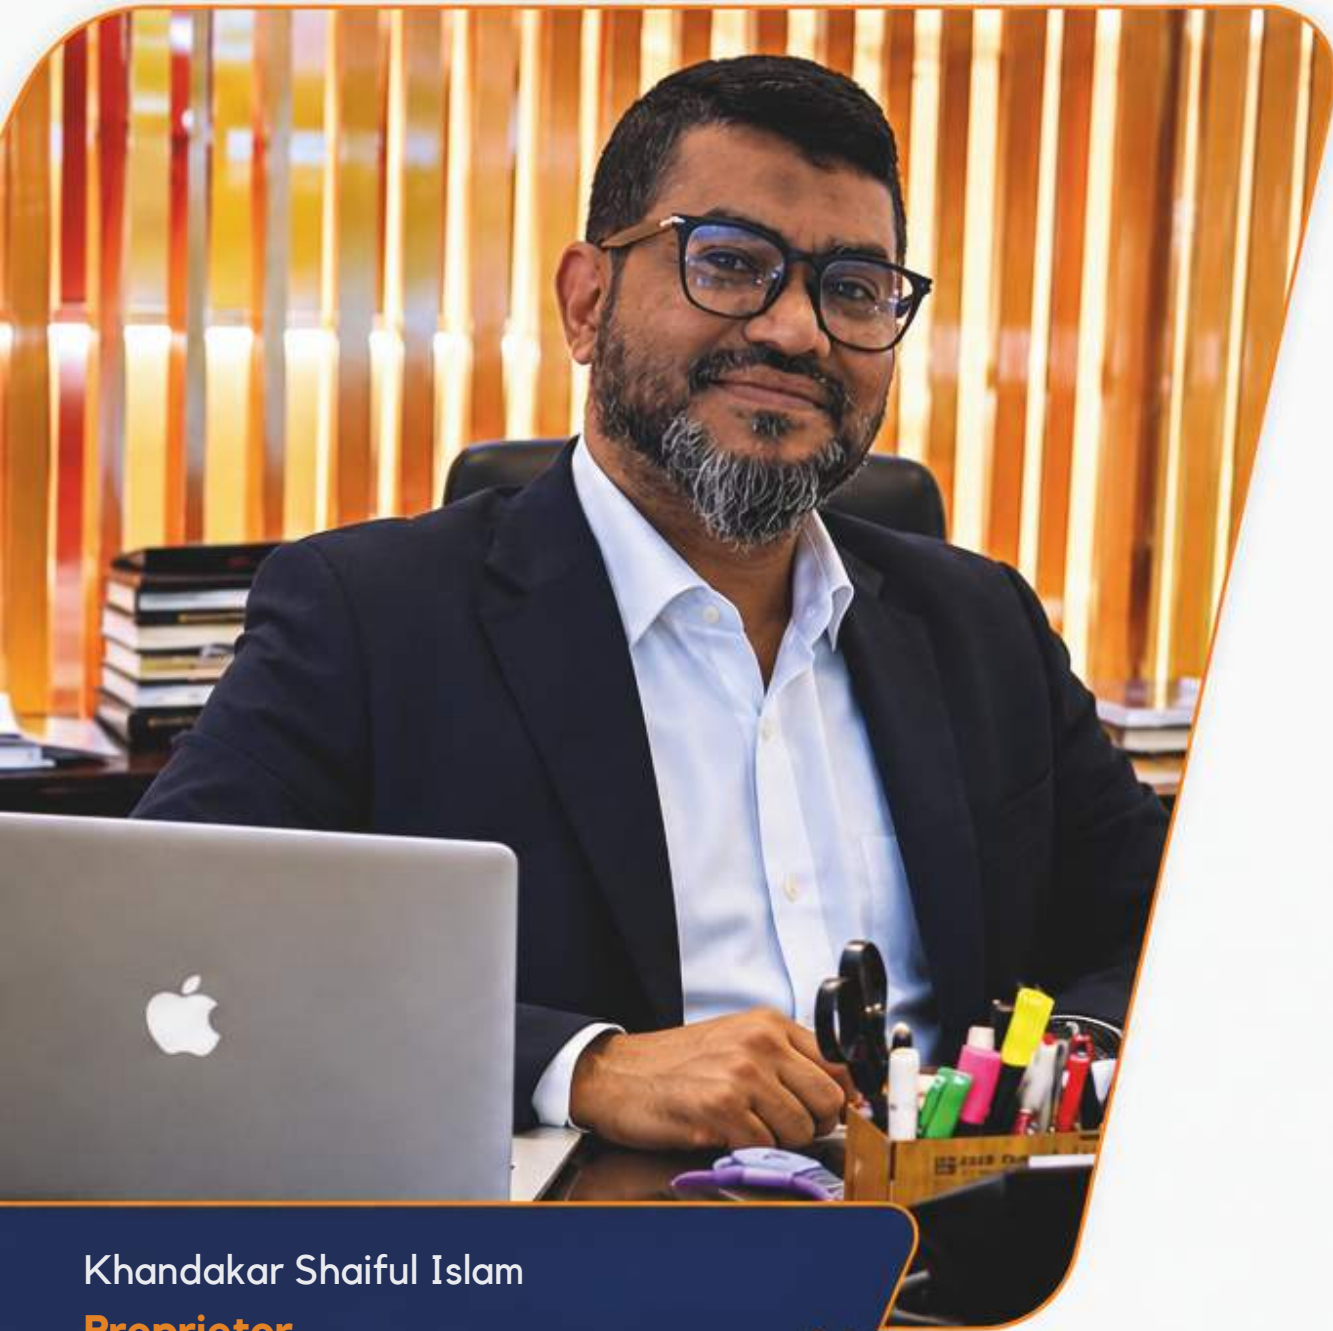

OUR MISSION

Our mission is to manufacture world-class textile and apparel products that combine exceptional quality, competitive pricing, and value-added services.

We are committed to maintaining environmentally responsible production processes while ensuring complete customer satisfaction, employee well-being, and sustainable business growth.

MESSAGE FROM PROPRIETOR

Khandakar Shaiful Islam
Proprietor
AMANA TEXTILE

Since our journey began in 1996 with limited resources and a small workforce, AMANA TEXTILE has grown into one of Bangladesh's leading 100% export-oriented knit garments manufacturers. This success has been achieved through dedication, innovation, quality, and the trust of our valued customers worldwide.

At AMANA TEXTILE, quality is at the heart of everything we do. With skilled professionals, modern technology, and strong quality control systems, we are committed to producing high-quality garments that meet international standards and customer expectations.

We strongly believe in sustainable growth, environmental responsibility, and the well-being of our employees. Our goal is not only to expand globally but also to contribute positively to society through ethical business practices and continuous development.

We sincerely thank our customers, partners, and employees for their ongoing trust and support as we continue building a brighter future together.

COMPANY OVERVIEW

Amana Textile. started the journey in 1996 with few machinery and human resources and began exporting in 1997. Located in Narayanganj, 35km away from Dhaka International Airport.

From the beginning, Amana has been maintaining consistency in producing 100% exportable quality knit garments. Moreover, productivity is rising at a growth rate to maintain all the standards of a compliance factory.

The vision of Amana is to be the best garments manufacturing industry in this region & the mission is to produce garments by assuring all the pre-requisite of buyers.

Amana Textile. was awarded the Oeko-Tex 100 Standard, Business Social Compliance Initiative (BSCI), and ISO 9001:2015 Certificate, so it has emerged as a compliant and customer-focused organization.

Today after over a decade of progression, Amana is a pointer of the textile industry of Bangladesh and the prime choice of many foreign retailers.

THE SKY
IS THE LIMIT
FOR AMANA.

SISTER CONCERN

Amana Textile is strengthened by its sister concerns, each contributing to excellence across the textile and apparel value chain. Together, we ensure quality, innovation and sustainability in everything we do.

FIRE SAFETY AT AMANA TEXTILE

SAFETY TODAY, SECURE TOMORROW

AMANA TEXTILE is fully organized with all modern technologies related to Fire risk like fully automated fire detection system, fire protection system & sprinkler system. Fire Hydrant Systems consist of a System of pipe work connected directly to the water reserve capacity of 76,000 gallons to provide water to each and every hydrant outlet and is intended to provide water for the firemen to fight a fire. The water is discharged into the fire engine form which is then pumped and sprayed over the fire. Fire Hydrant Protection Systems are designed to fight fires of huge proportions, in all classes of risks.

We have emergency fire exits stairs to ensure maximum evacuation of employees is possible in the case of fire. We regularly arrange fire training which is conducted by local authority officials. Besides, all of the employees are being trained periodically as per FSCD rules & regulations.

EMPLOYEE WELFARE FACILITIES

At AMANA TEXTILE, employee well-being is a top priority. We are committed to creating a safe, supportive, and comfortable workplace through the following welfare facilities:

HEALTH CARE CENTER

A fully equipped health care center with an experienced MBBS doctor and nurse provides free medical support and emergency treatment for employees.

DAY CARE CENTER

A dedicated child care facility is available for working mothers, supervised by trained caregivers to ensure a safe and caring environment for children.

FESTIVAL BONUS

Employees who complete at least six months of service receive two festival bonuses annually during Eid celebrations.

ANNUAL PICNIC

Every year, the company arranges an enjoyable picnic program where management and employees come together to celebrate and build stronger relationships.

CANTEEN FACILITIES

A clean and comfortable canteen is available for employees, along with safe drinking water and hygienic washroom facilities.

MASJID & PRAYER ROOM

Separate prayer facilities are provided, including a Masjid for men and a dedicated prayer room for women.

SAMPLE DIVISION

AMANA TEXTILE can comprehend the swinging pendulum of the fashion world and can therefore adapt to the taste of trendy consumers.

This keeps AMANA TEXTILE one step ahead of other textile manufacturers. It has restructured its Sample Division into a Design & Development Unit. This fully-fledged section, headed by an expert team, prepares its own seasonal collection according to the latest market trends.

AAMANA TEXTILE's insightful R&D team is always on the lookout for new types of fabrics and products. This helps the Design and Development team and results in better client management.

TREND-DRIVEN DESIGN

We create seasonal collections based on global fashion trends and consumer insights.

EXPERT TEAM

A skilled team of designers and merchandisers drives innovation and creativity.

CONTINUOUS R&D

Our R&D team explores new fabrics, techniques, and products to stay ahead in the market.
